

FAA Sale #AML-1040-07-01

- Item #1** - Computers, monitors, and printers (10 pallets)
- Item #2** - Monitors and keyboards (8 pallets)
- Item #3** - Monitors and computers (14 pallets)
- Item #4** - Monitors, computers, and printers (8 pallets)
- Item #5** - Monitors, computers, printer, and keyboards (8 pallets)
- Item #6** - Monitors, computers, printers, and keyboards (8 pallets)
- Item #7** - Monitors, computers, printers, & keyboards (10 pallets)
- Item #8** - Monitors, printers, computers, surge protectors, power cables,
and keyboards (10 pallets)
- Item #9** - Computers, monitors, speakers, and printers (8 pallets)
- Item #10** - Monitors, printers, and computers (8 pallets)
- Item #11** - Computers, monitors, and keyboards (8 pallets)
- Item #12** - Non-radar displays, electrical cabinet assemblies, disk drives,
printer units, keyboards, monitors, surge protectors, and
computer terminals (11 pallets)
- Item #13** - Printers, monitors, speakers, computer cables, and computer (8
pallets)
- Item #14** - Monitors, keyboards, and printer/fax machine (8 pallets)
- Item #15** - Monitors and computers (8 pallets)
- Item #16** - Keyboards, Sun Microsystems, Magnasync System, and
monitors (10 pallets)

- Item #17** - Sun Microsystems, Raytheon display, controllers, monitors, and others (10 pallets)
- Item #18** - Monitors, computers, printers, keyboards, and Pioneer CD Rom jukebox (15 pallets)
- Item #19** - RF units, demodulators, control panels, power amplifiers, RF head receivers, backplanes, cca's and radio receivers (8 pallets)
- Item #20** - Circuit card assemblies, amplifier leads, adapters, digital micro-circuits, socket contacts, relays, rotary switches, and electron tubes (12 pallets)
- Item #21** - Circuit card assemblies, mixer preamplifiers, cable assemblies, transistors, digital microcircuits, circuit breakers, fuses, toggle switches, audio selector units, and connectors. (14 pallets)
- Item #22** - Magnasync, transition switches, circuit card assemblies, RF filters, adapters, electrical boxes, ball bearings, AC power cords, punch down tools, AC current probes, power supplies, switch assemblies, and relay racks. (18 pallets)
- Item #23** - 3 rolls of white paper, 924 lbs. each, each roll contains 83,784 ft. of paper
- Item #24** - Miscellaneous chairs
- Item #25** - Equipment cabinets - ****Successful bidder must sign a release form****
- Item #26** - Work tables, hutch, bookcases, fan, water dispenser, cart, file cabinet, lights, and bins with hardware
- Item #27** - Artificial plants in planters
- Item #28** - Desk, tricycles, overhead hutches, printer tables, & file trays
- Item #29** - Cart, table, file cabinets, audio-visual cart, coffee table, & work bench

- Item #30** - Selectors, analog modems, keyboards, patch communication panels, and multiplexors (13 pallets)
- Item #31** - Amplifiers, servo units, circuit card assemblies, pulse generators, keyboard assemblies, power supply assemblies (3 pallets)
- Item #32** - Two boxes of circuit card assemblies
(BOX 1 = approx. 757 lbs. BOX 2 = approx. 733 lbs.)
- Item #33** - Misc. modification kits, sensor kits, cables, relay kits, passive switchers, desk mount kits, light kits, & toggle switches (10 pallets)
- Item #34** - Misc. filters, milliohmeters, oscilloscope, test sets, voltmeter, and monitor (7 pallets)
- Item #35** - Waveguides, monitor, antennas, and interface units (6 pallets)
- Item #36** - Printed wiring boards, power supplies and assemblies, modules, voltage regulators, and power transformers (16 pallets)

The following items are outside:

- Item #37** - Sawdust collector hopper
- Item #38** - Waveguide cable
- Item #39** - Misc. wire and cable
- Item #40** - Heavy duty 5th wheel trailer, two tandem axles – 10,000 lbs. each, Length - 37'3", Width – 8'6", Height – 12'
